NOTICE TO OUR CUSTOMERS

FUEL SURCHARGE INCREASE

Effective 18th June 2009

After having remained stable since late last year fuel prices have recently jumped, up by over \$100 per ton, since mid-April and this price increase adds over \$5,000 per week to the "Oleander" fuel bill. Therefore BCL has had to file for a fuel surcharge increase and these new fuel surcharge rates will become effective on June 18th 2009; the first voyage to incur the new fuel surcharge will be voyage 1505 scheduled to depart Port Elizabeth June 19th 2009. The new fuel surcharge rates will be:-

Full Container Loads (FCL).....\$55.00 per TEU

Ro-Ro & Break-Bulk Cargo.....3% of Freight Revenue

BCL does monitor fuel prices on a weekly basis and can put fuel surcharge reductions in place immediately therefore if fuel prices do drop significantly and remain low we will put in place an immediate reduction in the fuel surcharge.
